FOR IMMEDIATE RELEASE

Shell Shock Technologies Introduce Refer-A-Friend Program

More ways to save on your favorite ammunition rounds and reloadable cases at Shell Shock Technologies. Earn money every time you refer a friend to purchase ammo or casings on Shell Shock Technologies' website.

Eubank, KY (December 2024) – Shell Shock Technologies, LLC. (SST), a leading innovator in advanced ammunition and ammunition case technology, design, and manufacturing, launch a customer referral program that keeps on giving. The [Shell Tech Refer-A-Friend Program](#) allows you to invite friends to purchase any Shell Tech pistol or rifle ammunition, or casings, and unlock ten dollars (\$10.00) discounts for you and each referred customer. Earn rewards and enjoy early access to special deals; reserved just for Shell Tech Refer-A-Friend members.

How the Shell Tech Refer-A-Friend program works:

- 1) Invite friends using your unique [referral link](#).
- 2) When the referred friend makes their first purchase of \$50 or more, you both receive \$10 in discounts*.

Whether [purchasing ammunition](#) for personal/home defense, competition, training, or on the job, the advantages of Shell Tech [NAS³ shell case technology](#) offer superior benefits over traditional ammo. Just to name a few benefits:

- Made in the USA
- 2x more accurate than brass cased ammo
- 30 percent lighter than brass (Feel how that translates when you carry concealed)
- Stronger than brass
- Uniform wall thickness plus Shell Tech proprietary assembly techniques make for consistent velocity and higher accuracy, 0.93 fps standard deviation (Independent Test Report)
- Self-lubricating and corrosion-resistant

When compared to other available ammunition on the market, Shell Tech ammo is highly competitive. Shell Tech offers .380 ACP, three variants of 9mm, three variants of 5.56, and three variants of 300 Blackout, with more calibers in the works. Join the Shell Tech Refer-A-Friend program to receive additional savings all year, every year, only at [Shell Shock Technologies](#).

Shell Tech ammunition can be purchased online with an option to subscribe and save money while keeping your ammo stock in healthy order.

Free shipping is available on all orders over \$125.00. Keep up with Shell Tech's advanced ammunition on the [website](#) and social media platforms: [Facebook](#), [Instagram](#), and [YouTube](#).

*[Shell Tech Refer-A-Friend Program Terms](#) and Regulations require all participants to be of legal age and agree to all local, state, and Federal regulations, including adherence to anti-spam and anti-fraud regulations. Minimum order of Referred Customer is \$50, exclusive of taxes, shipping, discounts and other fees. Rewards are issued in \$10 increments, capped at 100 referrals per calendar year.

About Shell Shock Technologies and Shell Tech Ammo:

[Shell Shock Technologies, LLC](#) (SST), headquartered in Eubank, Kentucky, is a leading innovator in advanced ammunition case design and manufacturing. Since 2015, Shell Shock has supplied hundreds of millions of high-performance cases to commercial ammunition companies, U.S. defense contractors, and international defense allies. The company's patented, lightweight, and durable cases are engineered to enhance precision, reliability, and functionality across a variety of applications. Expanding on this legacy, Shell Shock introduced Shell Tech, a new line of factory-loaded, hand-inspected ammunition designed for hunters, sports shooters, and defense professionals. Produced at our Calhoun, Georgia facility, Shell Tech ammo brings unmatched quality, accuracy, and consistency directly to consumers.

Committed to ongoing innovation, Shell Shock's engineers continually develop advanced materials and processes, including pioneering lightweight ammunition links for belt-fed machine guns. With a focus on performance, dependability, and customer satisfaction, Shell Shock and Shell Tech set a new standard in ammunition technology.
